We are pleased that you plan to enroll in the Vanderbilt University Graduate School for the Fall Semester 2016. Please read this information very carefully and retain these instructions for future reference. NOTE that there are various deadlines that pertain to the information contained below. Some deadlines require your attention even before you arrive on campus or begin classes.

1. TRANSCRIPTS: Please note that your admission is contingent upon the Vanderbilt University Registrar receiving an official and final transcript with all previously earned degree(s) posted. These items must be received by Vanderbilt no later than August 31, 2016. We need one transcript for each institution listed in your application where a degree was earned.    b. Complete a Student Account Agreement Form and make arrangements to pay your student bill (see item 5, below).

4. ID CARD: You should obtain a student identification card prior to August 24, 2016, the first day of classes. New incoming graduate students obtain their identification cards as follows:

   Where: 184 Sarratt Student Center
   When: Monday through Friday from 8:30 a.m. to 4:00 p.m.
   What to bring: Photo ID such as driver’s license or passport
   Telephone: (615) 322-2273
5. **FINANCES**: You will receive an e-bill notification on the first of August for any charges posted by that time. **Payment is due by August 17, 2016 for any charges that will not be covered by departmental grants or awards and/or financial aid.** Payment for any charges owed by you may be made on-line or mailed to the Office of Student Accounts. Students with an outstanding balance will not be allowed to register nor attend classes, receive transcripts and/or diplomas until the account has been paid in full. Any balance not paid by the end of the calendar month in which the statement was issued will be assessed a late fee of one and one-half (1.5%) percent per month (minimum $5.00). *Please note that parking permits, traffic fines, overdue books, etc. will also appear on this bill, so be sure to review it closely each month.*

**NOTE:** All students must complete and submit a Student Account Agreement Form **regardless of funding.** You should complete this form online using the YES system ([http://yes.vanderbilt.edu/](http://yes.vanderbilt.edu/)); you will need a VUnet ID to log in to the system (see item 11, below). If you need the paper Student Account Agreement form (to add a spouse, parent, or guardian), please contact the Office of Student Accounts at 615-322-6693 or 800-288-1144 or visit their website at [http://www.vanderbilt.edu/stuaccts/graduate/forms.php](http://www.vanderbilt.edu/stuaccts/graduate/forms.php). The paper form can be mailed to Student Accounts, Box 351671, Station B, Nashville, TN, 37235, or faxed to 615-343-8511. Your registration is subject to cancellation without a Student Account Agreement Form on file in the Office of Student Accounts.

**Third-Party Billing:** If a third party (i.e. outside agency, corporation or State Prepaid Tuition Plan) will be paying all or part of your tuition and fees and they require an invoice, then please go to [http://vanderbilt.edu/stuaccts](http://vanderbilt.edu/stuaccts) and click on 3rd Party Billing/Sponsored Students. You will find all the third-party billing requirements there.

6. **HEALTH INSURANCE**: All Graduate School students who are registered for four or more credit hours, or who are actively enrolled in research courses that are designated as full-time enrollment, are required to be covered by adequate health insurance. Students must be covered by either (a) the Vanderbilt Student Injury and Sickness Insurance Plan or (b) a policy of the student’s choice that provides comparable coverage. Information about Vanderbilt’s 12-month student insurance policy will be emailed to your current email address in June 2016.

Your student account will be automatically billed an insurance fee of $3,064.00 for the Vanderbilt policy (one half of the premium will be billed along with your tuition and other fees at the beginning of each semester). If you already have comparable health coverage for the coming year, you must request a waiver from the Vanderbilt insurance plan no later than **August 1, 2016** by going to [https://www.gallagherkoster.com/](https://www.gallagherkoster.com/). For international students, this waiver is due no later than September 7, 2016. You will receive a confirmation by e-mail upon submitting the online waiver form. Please print and retain this confirmation number, as it is your only documentation that the form was successfully submitted. If you successfully waive coverage, the fee for Vanderbilt’s insurance program will be deleted from your student account.

**IMPORTANT NOTICE:** If you withdraw or leave the University at any time or for any reason after enrolling in the Vanderbilt insurance plan, you will still be responsible for payment of the premium for the full 12 months of coverage. If you do not complete the online waiver by August 1, 2016, you will be automatically enrolled for a 12-month policy and you will be responsible for the insurance premium, which you must pay in two equal installments (in August and December).

7. **INTERNATIONAL STUDENTS**: If you are not a citizen or permanent resident of the United States you should have received an International Student Financial Statement from International Student and Scholar Services. The University cannot issue a Certificate of Eligibility (I-20 or DS-2019) to be used to apply for a
visa to enter the United States until the International Student Financial Statement has been satisfactorily completed and returned to International Student and Scholar Services (ISSS). ISSS will hold its orientation for new international students on Friday, August 19, from 10 a.m. to 12 p.m., Student Life Center, Ballrooms A and B. There will be an informational fair from 8 a.m. to 10 a.m. prior to the mandatory orientation. Please contact ISSS at (615) 322-2753, or http://www.vanderbilt.edu/issss/.

If you are receiving a graduate research or teaching assistantship or a stipend from Vanderbilt you must create an international tax record. You must request access to Vanderbilt’s international tax system by completing the online form which is available in the Glacier database. Please answer ‘NO’ to the “Are you requesting a PHN (placeholder number)?” question.

You will receive an email with Glacier access instructions from support@online-tax.net. Please contact the Vanderbilt International Tax Office (ITO) with any questions you have regarding the Glacier software, ito@vanderbilt.edu. The website for the ITO is http://www.vanderbilt.edu/gss/international-tax/.

International Students who obtain on-campus employment or who will also work as a Graduate Research or Teaching Assistant should speak with their hiring department about the employment forms that must be completed.

   The Graduate Immunization Requirements Form must be signed by a healthcare provider and returned to the Student Health Center by mail, fax or upload to the Student Health Portal (best method for faster processing), at http://vanderbilt.studenthealthportal.com/. You will need a VUnet ID to log into the portal (see item 11, below). Student Health Center mail and fax information is available on the Immunization Requirements webpage listed above.

10. DISABILITY SERVICES: If you believe you have a disability and need an accommodation, the first place to contact is the Disability Services Program (DSP) at (615) 322-4705. Students who believe they have a disability have the responsibility of contacting the DSP for an intake interview to assess their needs prior to their semester of enrollment. All accommodations are reviewed on an individual basis considering the
student’s request, documentation, and course curriculum. You can find more information at: http://www.vanderbilt.edu/ead/.

11. **E-MAIL**: E-mail service is provided to all enrolled students at Vanderbilt. When your acceptance of the admission offer has been processed, you will receive an email from the University Registrar’s Office with instructions for activating your VUnet ID. Activating the VUnet ID sets up the username and password required to access a number of network services. These include email, YES (online course registration), Access2Academic Information (grades), and PeopleFinder (Vanderbilt’s online directory). Please add NoReply@vanderbilt.edu to your email address book or SafeSender’s list to ensure that you receive the notifications. Also, check your spam or junk folder for missing emails from Vanderbilt University. If you experience a problem establishing your VUnet ID using the email instructions from the University Registrar’s Office, please contact university.registrar@vanderbilt.edu. Also note that if you are a prior student or employee or have already activated a VUnet ID, you will use that VUnet ID.

If you have questions, concerns or problems after establishing your VUnet services, including your email, please contact Information Technology Services at its@vanderbilt.edu.

12. **HOUSING**: On-campus housing for Vanderbilt graduate and professional students is presently unavailable and incoming graduate students cannot be accommodated in on-campus housing facilities. If you are interested in locating private, off-campus apartments or rooms, please refer to Vanderbilt’s Off-campus Referral Service. The web address is https://apphost2.its.vanderbilt.edu/studentbiz/OCReferral/. This website includes listings from landlords looking for tenants, as well as from students looking for roommates. Other ways to locate housing include searching advertisements in local newspapers (such as http://tennessean.com/), or in apartment guides (for example, http://www.nashvilleapartment.com/#TN and http://www.move.com/apartments/main.aspx).

13. **PARKING**: Parking permits are required for motor vehicles parked on campus at any time. Please request your permit online at https://vanderbiltparking.t2hosted.com/cmn/index.aspx or go to the VUPD Parking Services office located at 2800 Vanderbilt Place. The annual permit is valid from the date of issue to August 31, 2017. Proper identification (student ID card or other photo ID), your vehicle registration and your campus address are required. **NOTE**: All Graduate School students can ride to and from the Vanderbilt campus free of charge on Nashville’s Metropolitan Transit Authority buses. To utilize this service, a valid student ID card is required for boarding the bus.

14. **TRANSFER CREDIT**: If you intend to transfer graduate credit from a previously attended institution, your Vanderbilt department or program must submit a formal request to the Graduate School, as described in the Graduate School Catalog. Some departments do not process transfer credits until after the successful completion of at least one semester of coursework.
