We are pleased that you plan to enroll in the Vanderbilt University Graduate School for the Fall Semester 2019. 5. **FINANCES:** You will receive an e-bill notification on the first of August for any charges posted by that time. **Payment is due by August 31, 2019 for any charges that will not be covered by departmental grants or awards and/or financial aid.** Payment for any charges owed by you may be made on-line or mailed to the Office of Student Accounts. Students with an outstanding balance will not be allowed to register nor attend classes, receive transcripts and/or diplomas until the account has been paid in full. Any balance not paid by the end of the calendar month in which the statement was issued will be assessed a late fee of one and one-half (1.5%) percent per month (minimum $5.00). *Please note that parking permits, traffic fines, overdue books, etc. will also appear on this bill, so be sure to review it closely each month.*

**NOTE:** All students must complete and submit a Student Account Agreement Form *regardless of funding.* You should complete this form online using the YES system ([http://yes.vanderbilt.edu/](http://yes.vanderbilt.edu/)); you will need a VUnet ID to log in to the system (see item 11, below). If you have questions about adding a spouse, parent, or guardian, please contact the Office of Student Accounts at 615-322-6693 or 800-288-1144 or visit their website at [http://www.vanderbilt.edu/stuaccts/graduate/forms.php](http://www.vanderbilt.edu/stuaccts/graduate/forms.php). Your registration is subject to cancellation without a Student Account Agreement Form on file in the Office of Student Accounts. Also, note that there is a separate stand-alone document for adding a guarantor(s) to an individual student account. You can download the Guarantor Authorization and Debt Repayment Agreement form at [https://finance.vanderbilt.edu/stuaccts/documents/Guarantor_Authorization_and_Agreement_Form.pdf](https://finance.vanderbilt.edu/stuaccts/documents/Guarantor_Authorization_and_Agreement_Form.pdf). This paper document is required in order to disclose any financial information to anyone other than the student and existing guarantors.

**Third-Party Billing:** If a third party (i.e. outside agency, corporation or State Prepaid Tuition Plan) will be paying all or part of your tuition and fees **and** they require an invoice, then please go to [http://vanderbilt.edu/stuaccts](http://vanderbilt.edu/stuaccts) and click on 3rd Party Billing/Sponsored Students. You will find all the third-party billing requirements there.

6. **HEALTH INSURANCE:** All Graduate School students who are registered for four or more credit hours, or who are actively enrolled in research courses that are designated as full-time enrollment, are required to be covered by health insurance. Students must be covered by either (a) the Vanderbilt Student Injury and Sickness Insurance Plan or (b) a policy of the student’s choice that provides comparable coverage. Information about Vanderbilt’s 12-month student insurance policy is available at [https://www.gallagherstudent.com/vanderbilt](https://www.gallagherstudent.com/vanderbilt).

Your student account will be automatically billed an insurance fee of $3,650.00 for the Vanderbilt policy (one half of the premium will be billed along with your tuition and other fees at the beginning of each semester). If you are a *citizen or permanent resident of the United States* and you already have comparable health coverage for the coming year, you must request a waiver from the Vanderbilt insurance plan no later than *August 1, 2019* by going to [https://www.gallagherstudent.com/vanderbilt](https://www.gallagherstudent.com/vanderbilt). You will receive a confirmation by e-mail upon submitting the online waiver form, which is the only accepted process for waiving coverage. Please print and
retain this confirmation number, as it is your only documentation that the form was successfully submitted. If you successfully waive coverage, the fee for Vanderbilt’s insurance program will be deleted from your student account. **International students** are required to enroll in the Vanderbilt Student Health Insurance Plan and may not waive with alternative coverage.

**IMPORTANT NOTICE:** If you withdraw or leave the University at any time or for any reason after enrolling in the Vanderbilt insurance plan, you will still be covered and you will still be responsible for payment of the premium for the full 12 months of coverage, through August 11, 2020. If you do not complete the online waiver by August 1, 2019, you will be automatically enrolled for a 12-month policy and you will be responsible for the insurance premium, which you must pay in two equal installments (in August and December).

7. **INTERNATIONAL STUDENTS:** If you are not a citizen or permanent resident of the United States you should have received an International Student Financial Statement from International Student and Scholar Services. The University cannot issue a Certificate of Eligibility (I-20 or DS-2019) to be used to apply for a visa to enter the United States until the International Student Financial Statement has been satisfactorily completed and returned to International Student and Scholar Services (ISSS).

New International Student Orientation for graduate and professional students will begin on Monday, August 12, 2019 and will end on Saturday, August 17. Check-In will start at 8:00 a.m. in the Student Life Center. Please add NoReply@vanderbilt.edu to your email address book or SafeSender’s list to ensure that you receive the notifications. Also, check your spam or junk folder for missing emails from Vanderbilt University. If you experience a problem establishing your VUnet ID using the email instructions from the University Registrar’s Office, please contact university.registrar@vanderbilt.edu. Also note that if you are a prior student or Vanderbilt University employee or have already activated a VUnet ID, you will use that VUnet ID.

If you have questions, concerns or problems after establishing your VUnet services, including your email, please contact Information Technology Services at it@vanderbilt.edu.

12. **HOUSING**: On-campus housing for Vanderbilt graduate and professional students is presently unavailable and incoming graduate students cannot be accommodated in on-campus housing facilities. If you are interested in locating private, off-campus apartments or rooms, please refer to Vanderbilt’s Off-campus Referral Service. The web address is https://offcampushousing.vanderbilt.edu/. This website includes listings from landlords looking for tenants, as well as from students looking for roommates. Other ways to locate housing include searching advertisements in local newspapers (such as http://tennessean.com/), or in apartment guides (for example, http://www.move.com/apartments/main.aspx).

13. **PARKING**: Parking permits are required for motor vehicles parked on campus at any time. Please request your virtual permit online at https://vanderbiltparking.t2hosted.com/cmn/index.aspx or if you would like to set up monthly recurring charges you may go to the VUPS Parking Services office located at 2800 Vanderbilt Place. Proper identification (student ID card or other photo ID), your vehicle registration, valid phone number, and your campus address are required. **NOTE:** All Graduate School students can ride to and from the Vanderbilt campus free of charge on Nashville’s WeGo Public Transit buses. To utilize this service, a valid student ID card is required for boarding the bus.

14. **TRANSFER CREDIT**: If you intend to transfer graduate credit from a previously attended institution, your Vanderbilt department or program must submit a formal request to the Graduate School, as described in the Graduate School Catalog. Some departments do not process transfer credits until after the successful completion of at least one semester of coursework.
